

The For The Love Of Dance School is committed to each student's success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our school works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with everyone in the school community. We believe that each student at FTLOD has a right to learn in a safe and friendly place, be treated with respect and receive the help and support of caring adults.

We expect our students to:

- Refrain from becoming involved in any kind of bullying
- Report to an instructor any witnessed or suspected instances of bullying

The following steps may be taken when dealing with incidents:

- If bullying is suspected or reported, the incident will be dealt with immediately by an instructor who has been approached
- A clear and precise account of the incident will be recorded and given to the owner
- The owner will interview all concerned and keep a record of conversations
- Parents will be informed and a conference will be set up with the parent, instructor and owner
- Select measures will be used as appropriate and in consultation with all parties concerned

We encourage every parent to work with us to emphasize to students at home and at school that bullying of any kind is never tolerated. Every parent should also encourage their student to report any incidents of bullying. We are committed to providing a safe and encouraging environment for all of our students. With the help of parents and students, we can work together to combat bullying in all forms.
